In its 117 years history, Millom R.L.F.C. has been recognised as a leading name in Rugby League. Being the oldest club in the world, Millom has a few records under its belt, a few being:- the only club to field 12 players for the Cumberland team which played Yorkshire on February 5th 1889 at Hunslet; the only club to play a record 10 times in the Rugby League Challenge Cup.

Over 26 players have been awarded full international honours since 1945, playing over 50 internationals between them and a numerous amount have played for both county and inter-league teams.

1978/79 saw a Cumbria first for Millom, when Peter Knowles was awarded the B.A.R.L.A. Player of the Year Award and the 1985/86 season saw yet another county first when Millom became the first Cumbrian club to play in the B.A.R.L.A. National Trophy final at Headingley on May 25th 1986, unfortunately going down eventually to Mysons R.L.F.C. of Hull.
November '86 saw Millom at home to Wakefield Trinity in the John Player trophy, before a large crowd. Millom gave Trinity a few scares before eventually going down by 4 - 18.
Millom defeated Kells 9-8 in the Cumbria Cup final in December 1989 to add yet another honour.
In Millom's 10th R.L. Challenge Cup appearance in January 1990 a close fought contest resulted in a 0 -4 defeat by Bison Sport of Leeds.

Chairman's Report

Two weeks into the season and already we are being ravaged by injuries to key players. The most serious is to M.O.B O'Brien, - lets hope that the broken arm soon mends as Mob's 100% commitment will be sorely missed on the field.
Congratulations to the 7-a-side team which won the Disington 7s, 20-4 down at half time things looked bleak, but a marvellous second half, a far fitter team, they carried it to win 37-30 well done.
I would like to extend my belated thanks to the ladies for the barbecue evening that they presented on Bank Holiday Sunday. It was a credit to them and well worth all the hard work that they put into it.

Millom RL Crack

Over the years we have seen plenty of tinkering with rules concerning scrummaging with-out much success that allows continuity of play. Scrum-halves don't seem to satisfy referee's and from a spectators point of view anything goes, the ball seemingly only has to touch the scrum most times. In fact the International Board have decreed that the ball must make contact with the hookers foot. If the R.U. boys can make scrummaging an absorbing phase of their game then where are we going wrong.

A lot of full-backs should be pleased with the new ten yard off-side rule, the player with real pace will make the opposition think twice about kicking out from a defensive position. From an entertainment angle seeing defence changed to attack with a well judged 60 yard punt certainly adds flovour to the game, will we see less of this tactic.

It must only be a matter of time before BARLA are going to introduce the red and yellow card and card system to the amatuer gam. There will be problems in the local leagues to be overcome, although in the National League a start could be made with the onus on clubs to make the yellow card ten minute sin-bin period work. Pre-season games are now history and it would appear that perserverance can win games as well as brilliance and I'm sure the National League squad are capable of getting that mixture right.

Light Side

What I know about rugby league can be written on the back of Ronnie Corbett, but I suddenly felt a passion for it on Saturday when I was a happy guest of Millom rugby club.

It's not to do with the actual game (sterling though Millom's efforts were); nor even with the fact that Millom's is the oldest rugby club in the world (as club officials proudly explained when they showed me round).

It has all to do with the Leigh player who was sent off and who walked to his side's dug-out, bummed a cigarette and lit up as he walked from the field. There's the peak of fitness for you.

OUR VISITORS

Pilkingtons visit Millom today after having had a poor season last year and finishing in 10th position and avoiding relegation by 2 points. They used 44 players through injury and illness and had 2 points deducted after failing to produce a side against Lock Lane. With George Morrison now back at "Pilks", after a spell with Thatto Heath they will surely go from strength to strength. With BARLA Tourist Paul Hankinson in the line up, they should have the services of joint top scorers Ian Stanley and Dave Price. Mike Carr converted 28 goals last season be watched in front of goal. This is Pilkintons last season at City Road with Pilkington Glass requiring the ground for further factory development.

GIRLS TALK

We must start this week by giving a sigh of relief for the safe return of Walter (Vita's Parrot) who is now happily back home on his perch. Thank-you to all those who helped in the search.

We are delighted to say that the barbecue and disco evening we held was a huge success. Why not try out the limbo bar at our Hawaiian night on Saturday 29th September at 8.00p.m. with a disco, party games and a special tutti-frutti punch, and admission is £1.50.

Congratulations to Gary and Christine Kelly on the birth of their second son Adam. Happy Birthday Craig (Evans) for Monday.

Congratulations to Geoff Marr on his 21st.

Good Luck to Gillian French who will be starting College soon and thanks to her for all her help on Friday night's with the disco.

Anybody feeling hungry, there will be hot and cold snacks served in the Club during and after to-days game.

Gail.

Coaching Crack.

A very disappointing start to the season - 2 heavy defeats. I'm sure all the supporters thought we would have won the Miners game at 13-12 up, but a lapse with just 3 minutes to go robbed us of that, and we didn't play well on the day. Players with notable credit were Ian Swarbrick & Gary Kelly. I understand that fans were complaining about team selection on the day. I would appreciate it more if they were to come and talk to me about it and maybe I can explain why. Another disappointing day was at Dudley Hill. We started well with Peter Dawson and Gary Kelly making good 50 yard breaks, but the final pass or backing up wasn't there. We were always in with a shout at 10-8, and then a disputed try was given - 16-8. Unfortunately I didn't help the cause, - minutes later I was sent off for "alleged" tripping, - only for my opposite number to follow 3 minutes later. I had to make 4 enforced changes on the night before - the lads tried hard that came in. Again, the most notable players were Kelly, Swarbrick, Dawson, Robinson and Evans, the latter getting sent off also in the dying minutes for intervening in a squirmish with a couple of players. Hopefully we can get it right against Pilkington Recs today. A sadder note was the loss of MOB with a broken arm. Thankyou.

'DUMPY'

Opinion

"What a good day out." I've never been to Millom before, and seen very little Rugby. A nice town, with some beautiful scenery. "Which way to the ground?" I asked at Wharton's Garage after coming off the train. "Just follow the crowd; you can't miss it! was the reply. Great set up, good crack, pie & peas spot on. Not a bad pint (and plenty of it, which is the important bit).
Thanks for an enjoyable day out, a nice change.
I'll be back.

Cornwallis - Evening Mail

"Thanks for your hospitality Millom. Its the first time I've been since the Nat. League started. You've got a great set up - Clubhouse, field, etc. Pity about today's result (Leigh M.W.) Peter Dawson's a good player, but I don't see him at centre.
I'll be down again - Good Luck Lads."

Harry Edgar - "Open Rugby"

"Your 'Showcase' Lounge really took my eye - Very impressive.
How did you get that Artie Beeson shirt?
Bad result for you today, and we've won at West Hull. See you in December for the BIG MATCH.
Best Wishes

Steve Bowes - Egremont Pro

'STONED'
A real day out at Millom, but very unsociable of Biff and Rosky, "SPIKING" my light with Stones. I ended up wrecked, and was going out to a Wedding do at night.
"I'll be back"

'CRESTA' - Barrow R.L. Pl-of-year.

Report on Last Weeks Game
('A') Team
After talking to Peter Knowles who carried out the 'A' team tackle count last week, he told me that all the 'A' team players shared the work load, with no fewer than 9 players topping double figures in the tackle count. Tries came through hooker Paul Roskell and Andy Procter, with 3 goals coming from centre Lee Macreth to beat Marsh Hornets by 14 points to 12. A sadder note must be Phil Castle's shoulder dislocation which rules him out for several weeks.
('B') Team
Unfortunately, at the time of going to print, I have had no official report, but through the grapevine I have heard that the young players in the 'B' team put up a brave battle against Railway despite being 10 points down in the opening minutes, although they were finally beaten 32-4. With Millom's points coming from Bushby, the signs are there, and with a combined mixture of old and new players they could do well this season.
